

CAPE BRETON UNIVERSITY | Shannon School of Business

BACHELOR OF BUSINESS ADMINISTRATION SPECIALIZATION IN ACCOUNTING (TWINNING STREAM)

WHY STUDY ACCOUNTING?

By pursuing a specialization in accounting, students at CBU will gain an understanding of the global economy and develop an international perspective through various management, finance, and economic course assignments. The topics explored within the program include cash control, capital assets and cost behaviour to corporate investment, fiduciary accounting and foreign operations. Students graduate with the skills to confidently assist with decision making with the ability to analyze, compare and interpret business statements.

An accounting specialization allows you to have a career placement shortly after graduation with numerous opportunities and steady career advancement including entering into professional accounting programs to receive designations like Chartered Accountant (CA).

TAKE ADVANTAGE OF THE TWINNING STREAM

- A golden opportunity to have a Canadian university degree with a specialization in accounting
- The twinning stream will allow you to study your first two years in India and your final two years in Canada
- Huge savings on tuition and living expenses as compared to a full 4-year study abroad
- Career-focused education at a Canadian educational institution in your desired field of study
- Educational, career, and placement counselling with a possibility of international placements

BBA Degree

This program has two entry points, so students can start in September or January.

CO-OP INTERNSHIP OPTION

Students are eligible to take a paid internship while completing their BBA. The internship is usually 12-16 weeks in duration allowing students to work with a mentor in the field of study while earning a wage, three credits and a competitive edge when applying for future work.

PROGRAM STRUCTURE

Students will take core BBA courses for the first two years of the program in India and then focus on Accounting in year 3 and year 4 during their study period in Canada.

Students will receive a 4-year Canadian university degree upon the successful completion of the Canadian portion of the program.

Attention

For those students who have graduated from an Indian educational institution with a degree in this subject area, credit recognition for your Indian courses is possible.

Please contact Chalo Canada for further details.

ADMISSION REQUIREMENTS

Applicants to the program must have completed the first two years of study at an Indian educational institution covered by the twinning agreement and achieved the required IELTS score of 6.5 band average with no individual section score less than 6.0.

CAREER DEVELOPMENT SERVICES

Career Development Services will help you prepare for a successful career. Its services include individual career counselling, resume and cover letter writing, mock interviews with feedback, graduate information, labour market information and more.

CAREERS

Graduates are well equipped to enter middle management accounting positions in small to medium size firms, non-profit agencies, or government. Studying accounting also provides students a skill set that is ideal for self-employed careers through entrepreneurship. Graduates will develop their careers as accountants, controllers, account managers, contract administrators, and chief financial officers (CFO).

The specialization in accounting will prepare you with the education necessary for you to achieve success in this important sector.
