BACHELOR OF BUSINESS ADMINISTRATION SPECIALIZATION IN LEGAL STUDIES (REGULAR STREAM)

WHAT IS LEGAL STUDIES?

Smart business people arm themselves with the proper knowledge for seeking and understanding legal advice. This saves time and money and makes for better decisions. These decisions could involve criminal law, intellectual property rights, leasing and financing terms, public health issues, or regulatory and licensing matters.

The specialization in legal studies at CBU is designed to produce business people who have a sound understanding of the law and its implications for commerce. Courses are taught by practicing professionals and are designed around current business scenarios. The objective is to develop the ability to recognize legal issues and make intelligent business decisions with the law in mind.
