**WHAT IS LEGAL STUDIES?**

Smart business people arm themselves with the proper knowledge for seeking and understanding legal advice. This saves time and money and makes for better decisions. These decisions could involve criminal law, intellectual property rights, leasing and financing terms, public health issues, or regulatory and licensing matters.

The specialization in legal studies at CBU is designed to produce business people who have a sound understanding of the law and its implications for commerce. Courses are taught by practicing professionals and are designed around current business scenarios. The objective is to develop the ability to recognize legal issues and make intelligent business decisions with the law in mind.

**TAKE ADVANTAGE OF THE TWINNING STREAM**

- A golden opportunity to have a Canadian university degree with a Specialization in Legal Studies
- The twinning stream will allow you to study your first two years in India and your final two years in Canada
- Huge savings on tuition and living expenses as compared to a full 4-year study abroad
- Career-focused education at a Canadian educational institution in your desired field of study
- Educational, career, and placement counselling with a possibility of international placements

**BBA Degree**

**This program has  
two entry points, so  
students can start  
in September or  
January.**
